

The designs are here — have your say!

Please take a look at the five designs displayed alongside this poster

As many of you know, we've been working to enhance the play area. The working group consulted with villagers and the local school, and the parish council have made some key decisions. Four manufacturers have now produced five designs — and we'd love to know what you think!

Some designs are marginally different in price (Sovereign and ESP being the most expensive)

What's already been agreed

Location

Next to the Village Hall — **accessible for all**, and parents can easily keep an eye on both the young children's and new older children's play areas.

Neighbours first

Equipment near homes will be kept low to protect privacy.

Football pitch kept

Goals moving 10m so the pitch stays in use for everyone.

Now we need your views!

Take a good look at the five designs next to this poster.

Which do you prefer? Do you have any comments or concerns? (We know one of the designs blocks off the car-park entrance to field — obviously not workable but is there anything else you want to highlight and one design has a climbing frame near a home — this will have to be moved)

We want to hear from residents of all ages — every view counts.

Two easy ways to get in touch

Any time — we'd love to hear from you

Come to the meeting

Monday 13 July 2026

7.30pm

Parish Council Meeting
Chedworth Village Hall

This is your village, your play area — your voice shapes what gets built.

Thank you for being part of the process. We look forward to hearing from you!
